In these days of medical imposition, when men assume to be physicians without any knowledge of medicine whatever, persons cannot be too care-tul to whom they apply, before at least making some inquiry, and especially in relation to those who make the greatest pretensions. Advertising physicians, in nine cases out of ten, are impostors; and if you allow yourself to be mislead by their lee s'atements, and go blindly into traps set for ,u without making any inquiry, you will have eason to regret it when it is too late. Dr. M. meets all such emergencies, and no household can afford to be without it. HOSTETTER'S STOMACH BITTERS.

The proprietors and manufacturer of HOS-TETTER'S CELEBRATED STOMACH BIT. TERS can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare assertion or blazoning puffery. The consumption of Hostetter's Stomach Bit ters for the last year amounted to over a half. million bottles, and from its manifest steady perease in times past, it is evident that during he coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the ranmedicinal properties contained in the preparaon, and the sanction of the most promine ysicians in those sections of the countrwhere the article is best known, who not only amend the Bitters to their patients, he are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements mi the diseases resulting therefrom.

This is not a temporary popularity, obtaine; extraordinary efforts in the way of trunsting the qualities of the Bitters, but a solid umation of an invaluable medicine, which is lestined to be as enduring as time itself. Hostetter's Stomach Bitters have prove Godsend to regions where fever and agos and various other bilious complaints have counted their victims by hundreds.
